

WHAT IS IT

TextMeMan is an affordable, easy-to-use text messaging service. This online service will help any business build a text club database quickly. Connect directly with customers with SMS or MMS alerts directly to their mobile phones.

SMS stands for **Short Message Service**. SMS allows for text messages of 160 characters (letters, numbers, and symbols) in length.

MMS stands for **Multimedia Messaging Service**. MMS is a standard way to send messages that include multimedia content such as a picture message, or multimedia message.

HOW IT WORKS

TextMeMan uses a **Short Code 78000**. The unique identifier is the Keyword chosen.

- **Example phrase for Client:** "Text DIGITAL to **78000**"
- **Keyword Examples:** WOLF, BULL, WECK, and DIGITAL
- Client can add text, images, and URLs
- We recommend a short URL service such as tinyurl.com to shorten longer URLs
